

The Resource Directory

A project of the
Seminole County Child Abuse Prevention Task Force

In cooperation with the Children's Cabinet of Seminole County and the agencies and organizations providing programs and assistance to the residents of Seminole County

Electronic edition revised Spring 2016

The Seminole County Resource Directory lists local, state and national resources as they relate to the specific needs of families.

Feel free to copy and distribute this publication as needed.

Additional bound copies may be obtained through The Child Abuse Prevention Task Force, also known as CAPTF. Additional electronic copies can be downloaded at www.seminolechildren.org or www.seminolepreventioncoalition.org

This directory is intended to provide a comprehensive listing of programs and services available to Seminole County families. Our goal is to enable families to have the knowledge and tools necessary to receive the services that meet their individual needs. Some of the information contained within the directory may not be supported in full by the individual member agencies. Although CAPTF has made every attempt to verify the information contained within this directory, they are neither responsible for inaccuracies, acts nor consequences resulting from errors or omission.

Youth Services Programs / Youth Recreation****American Red Cross****407-894-4141**www.midfloridaredcross.org

The American Red Cross is the largest humanitarian organization in the United States. Locally more than 1,700 volunteers help to provide programs and services in Orange, Osceola and Seminole counties. Some of the programs and services include disaster services to families in need, health and safety programs and youth development. The Teen Corps of the American Red Cross is a youth group, run by youth, and youth leadership, with mentoring provided by former members and adult staff. The Red Cross hosts several school-based Red Cross clubs in Central Florida as well. These young people are trained to respond in emergency situations; they are trained peer facilitators in vital Red Cross programs such as Basic Aid Training, Fire Prevention, CPR/AED and First Aid. Teen Corps teams teach these programs to children in community centers, after school clubs and programs and community shelters of all types in the tri-county area. Youth are trained in various phases of disaster response and ready to respond in the event of a natural or man-made disaster. Teen Corps members also participate in leadership development activities as well as several community outreach activities throughout the year. For more information call Myra Allcock ext. 5664 or email: teencorps@midfloridaredcross.org or look online.
