

90-Day Supply at Retail Option

An easy way to save on your prescription medications

Staying on top of your prescription medication regimen plays a key role in how you are able to effectively manage your health. To help you with this, we offer an option that allows you to get a 90-day supply of your maintenance prescription medication(s) filled at your local retail pharmacy. You would simply pay the 90-day copayment amount designated by your plan.

It's as Easy as 1-2-3

1

Ask your physician to write a prescription for a 90-day supply of the medication(s)

2

Take the prescription(s) to your participating local retail pharmacy to be filled

3

Enjoy the convenience of a 90-day supply of your medication(s) at your local pharmacy

As your prescription benefits manager, Magellan Rx Management is dedicated to giving you the information and resources to help you make better healthcare decisions. Our wide range of prescription benefits programs emphasize quality and cost-effective solutions that lead to better drug therapy choices.

Please contact Magellan Rx Customer Service if you have questions about this program or anything else related to your prescription benefits.
