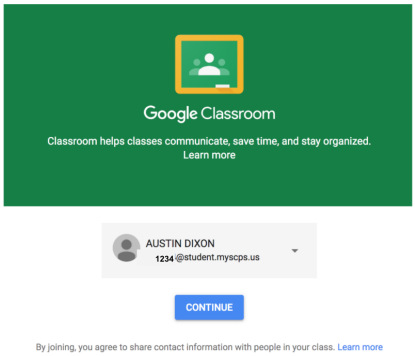
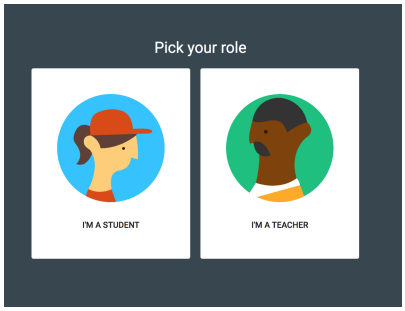
Student Access to Google Classroom

Screen Shot	Directions:
	1. Visit the SCPS Portal, https://www.scps.k12.fl.us/portal/. 2. Click on **The Portal** icon.
	**Note: If you see the message:* ***Login with Active Directory****, click the tab to log in.*
	**Note: Student should sign in using his/her* ***SCPS email address.*** This login step will give you access to SCPS resources in **Clever**.
	3. From **Clever**, scroll down to find the **Google Classroom** tile. 4. Click on the **Google Classroom** tile.



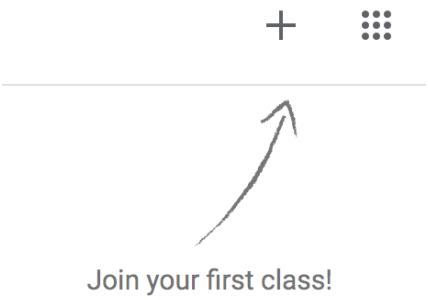
*** First Time Google Classroom Users Only**
5. The welcome screen will appear.

Click the blue button: **CONTINUE**.



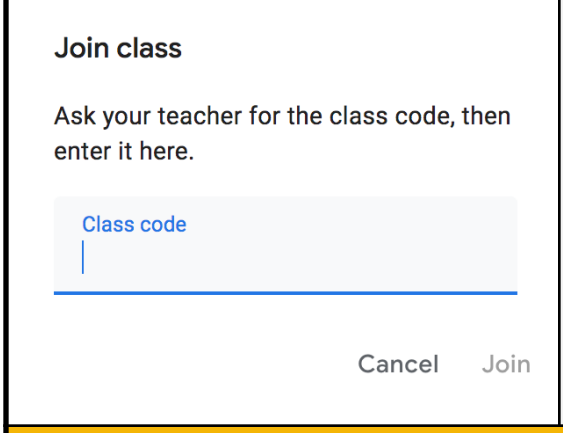
*** First Time Google Classroom Users Only**
6. Pick your role. Select: **I'm a Student.**

7. Find and click on your Google Classroom.



Can't find your Google Classroom?
*Email your teacher for the **JOIN CODE**.*

8. Click the **+** button to join your teacher's class.



8. Type the **Class Code** provided by your teacher and then click **Join**.

9. Success...You're in!

Parents will receive an invitation to join using the email address listed in Skyward! Parents working alongside a child at home can see content without separate access.
