The Seminole County Public Schools Business Advisory Board provides requested counsel and consultation to the Seminole County School Board and its staff on a variety of issues with the goal of helping the school district improve its business operation deliverables through exposure to business best practices.

The Business Advisory Board (BAB) typically meets eleven times per year. Members are highly encouraged to participate in BAB sub-committees and school district committees that utilize BAB input.

Specific industries or business types have defined positions on the BAB. There are also at-large members. Each member is reviewed by the board's member selection sub-committee and ultimately chosen by the board.

Each member shares a commitment to improving the quality of education in Seminole County. If you have expertise you would like to contribute as a successful business person in your profession, please complete the form below.

You will be notified if there is an opening in your business segment or industry. Thank you for your interest in the Seminole County Public Schools Business Advisory Board.
