71% of student respondents would recommend LHS

84% of parent respondents would recommend LHS

In the eyes of students and parents, here's what makes LHS uniquely positive within SCPS:

great Engineering Institute and program
 students feel safe on campus
 amazing band program

block scheduling is nice
 awesome magnet and fantastic JROTC programs
 super and extremely helpful guidance

Here's what students and parents say they like about LHS:

" It is very inclusive. There is a place for everyone and everyone is extremely nice and welcoming. "

9th grade student

" It has the classes that I am interested in and the teachers are exciting. "

10th grade student

" The certifications that you can get, for example Microsoft Word, Powerpoint, Excel, Dreamweaver etc. "

11th grade student

" I like how the teachers take the time to bond with and understand their students. "

12th grade student

" I love that they offer unique programs like the Aerospace Engineering program. The dual enrollment opportunity is one that you don't find at many high schools. "

9th grade parent

" Curricula, opportunities to explore careers "

10th grade parent

" I have children both in the magnet and not in the magnet. I am extremely happy with both. "

11th grade parent

" We have enjoyed the comfort of sending our son to a highly rated school where he feels safe and has been given the opportunity for an excellent quality education. "

12th grade parent
