## A Word From Our Principal

Welcome to our Stallion family! Stenstrom is a STEM centered, community school, providing the unique opportunity for students to participate in MicrOviedo, our very own MicroSociety. This school report outlines the key characteristics of our school from both an academic and non-academic perspective. I hope it helps you understand what makes Stenstrom unique. Please reach out to us if you have any questions about our school.

### What Makes Us Special

- Through MicroSociety, our students develop vital career and social emotional skills as they start and manage their own business ventures, and government agencies.
- We are proud to offer STEAM electives allowing students to experience a thought-provoking and stimulating curriculum at an early age in our brand new Maker Space and Robotics Lab.
- Our high-performing, dedicated staff provides a caring, safe environment for our students and parents in our community-centered school.

### Advanced Academics

Program of Rigorous Integrated Mathematics for Elementary Students (PRIMES) is available for mathematically talented students in grades 4 through 5.

### Family Engagement 2019-2020 Data

Dividends is the volunteer program for SCPS. Our incredible Stenstrom volunteers gave **10,572** hours of their time to support students\*.

\*Data reflects 2019-2020 due to limited opportunities during the 2020-21 school year due to Covid-19.

### Technology and the Future

- Within our MicroSociety, students are prepared to navigate the future workplace, become active citizens, and take on global challenges.
- Through STEAM electives, students are introduced to new technologies and activities designed to build their problem solving and logical thinking.
- Computer Science 2020 - Our students participate in at least 10 hours of computer science learning each school year.

### Student Achievement 2020-2021 Data

- All students in grades K-5 participate in English and Language Arts (ELA) and Math iReady progress monitoring. **56%** of K-5 students were on or above grade level in ELA and **55%** of K-5 students were on or above grade level in Math.
- The Star Early Literacy Assessment is administered to kindergarten students at the beginning of each school year. **68%** of students demonstrated kindergarten readiness compared to the state average of 57%.

**School Health and Safety**

The health, safety and security of staff and students is our top priority. We follow CDC COVID mitigation strategies and work closely with local, state, and federal agencies to ensure a sanitized and safe environment for your child's learning. Our School Resource Officers are Mark Norris and Kim Mojica, Supervisor Sgt. with the Oviedo Police Department.

The SpeakOut program provides three 24-hour monitored services that allows students, parents, or community members to anonymously report concerns. [www.speakouthotline.org](http://www.speakouthotline.org)
