PROGRAMS OF EMPHASIS

A Program of Emphasis provides a structured study strand centered on a career pathway that is offered to students who can attend a comprehensive high school. Industry certifications may be earned through successful completion of coursework and testing. Students who are zoned for the school may select the Program of Emphasis, and a number of seats in the selected programs are available for 9th grade students who are not zoned to the school. Acceptance for out of zone students to a Program of Emphasis is by application only.

Career & Technical Education (CTE)

Career & Technical Education (CTE) courses are invaluable resources for preparing students for life beyond high school including post-secondary training, college and employment. Each of the district's CTE programs emphasizes the development of students who are both college and career bound. CTE courses also allow students to apply learning from content area classes such as Language Arts and Mathematics to real world problems that prepare them for post-secondary education and careers. CTE courses consists of programs such as advanced manufacturing, culinary, cosmetology, interior design, auto mechanics, aeronautics, construction, tv production, computer graphics/animation, architectural design, and many more!

Charter Schools

Charter Schools operate as autonomous public schools and work under an accountability contract with the district.

Dual Enrollment

SCPS sponsors appropriate college courses in high schools during normal class hours, after school and during the summer term. Students enrolled in dual enrollment earn both high school and college credit if they meet requirements for satisfactory completion of classes. Dual enrollment credit opportunities are offered through Seminole State College (SSC) and the University of Central Florida (UCF).

Seminole Virtual On-Line Courses

SCPS students may take courses via Seminole County Virtual School (SCVS). Virtual school provides flexible options to meet the demanding schedule of the 21st century student. Students may enroll in SCVS full-time and earn a regular high school diploma. Virtual classes are also available part-time through ePathways (blending virtual with face-to-face courses) - either at the zoned school during the school day in a virtual learning lab or outside the school day. SCVS serves students Kindergarten through 12th grade. For more information, visit: virtualschool.scps.k12.fl.us
