**Agreement**

Your signature on this application acknowledges your understanding and agreement with all statements below.

- Seat Space availability for the *Ticket to Ride* program is determined by the SCPS Transportation Department.
- Stops will not be created for students requesting *Ticket to Ride* Transportation. Students will be assigned to existing stops only.
- Stops will be assigned according to the stop closest to the student’s place of residence.
- Students will be assigned to a bus stop by the Transportation Routing Department. This is the only stop the student is permitted to use unless otherwise assigned by the Transportation Routing Department.
- Students will not be permitted to cross areas designated as Hazardous Walking conditions (per FS 1006.23 or the School Safety Advisory Committee) to get to a bus stop.
- If the bus becomes overcrowded, students using *Ticket to Ride* Transportation will be reassigned. Students are reassigned through a “last on, first off” process using the date of application as the determining factor. Students reassigned from an overcrowded bus are offered the next closest stop served by a different bus that can accommodate Seat Space Transportation. Students are given a five day notice of reassignment from the bus.
- If a stop is in existence for a student that is currently in an eligible program (i.e. magnet, diversity, ESE, etc.) and the student leaves, the stop will be removed. Any student using *Ticket to Ride* Transportation will be assigned the next closest stop. A five day notice for reassignment is given.
- A *Ticket to Ride* is granted for 1 year only. Students are required to reapply each year.
- Students must to adhere to the same bus rider code of conduct as all SCPS students.

I understand and agree to the above statements.

Seminole County Public Schools (SCPS) provides transportation as required for students living more than two miles from the zoned school and as an incentive for magnet school students and certain transfer options. Other transfers are granted without transportation provided. There are occasionally empty seats on some of the bus routes. SCPS offers available seats to transfer students who are ineligible for transportation through a program called *Ticket to Ride*.

Steps:
1. Read the terms of *Ticket To Ride* Transportation on the application carefully.
2. Complete the attached application for *Ticket to Ride* Transportation.
3. Submit the application to the Choices Department located in the Educational Support Center at 400 E. Lake Mary Blvd., Sanford. Email: scpschoices@scps.us or Fax: 407-320-0105

5. If *Ticket to Ride* Transportation is not available the family will be notified by the Transportation Department.
6. Remember: Do not request a transfer if the student must rely on a *Ticket to Ride* as it may not be available. Transportation is also subject to availability each year and may not be available in successive years.
