Check out the many benefits we have to offer!

Quality and Flexibility
- SCVS offers high quality, rigorous, standards-based curriculum.
- Students can access AP, dual enrollment, honors, advanced and standard level core courses and many, many electives through SCVS.
- Flexibility is the SCVS advantage as students may start a virtual class any day of the year and have access to their virtual classes 24/7, 365 days a year.
- Students may take just one virtual class or an entire virtual schedule. The choice is yours!

One-on-One Learning
- Live lessons provided by highly skilled instructors.
- Local SCPS teachers with virtual learning expertise help students to succeed.
- One-on-one tutoring and small group learning opportunities available for full-time virtual students.

Only with Seminole County Virtual School
SCVS courses are taken with high quality, local teachers from Seminole County Public Schools. Seamless coordination between your SCPS school and virtual coursework is provided. Unlike other virtual schools, there are no waitlists to start classes and face-to-face support is available every weekday. Taking classes with SCVS keeps your tax-dollars here in Seminole County.
