An "A" Rated School District

A Word From Our Principal

At Indian Trails Middle School we empower our students to follow their dreams and passions in order to "Invent Their Future", because we are Trailblazers! This school report outlines the key characteristics of our school from both an academic and non-academic perspective. I hope it helps you understand what makes Indian Trails unique. Please reach out to us if you have any questions about our school.

What Makes Us Special

- We're proud to offer a Program of Emphasis on Renewable Energy, allowing students the opportunity to collaborate with real world energy partners to combat environmental issues facing our planet.
- We also offer an outstanding Culinary Arts program, giving every student the opportunity to become the next Top Chef...and cook amazing dinners for mom and dad, too!
- Another unique offering is our Sustainable Living program! This program gives students a chance to grow crops on the campus farm and use them to support a more sustainable campus and community!

Advanced Academics
