An "A" Rated School District

A Word From Our Principal

Welcome to our Stallion family! Stenstrom is a STEM centered, community school, providing the unique opportunity for students to participate in MicroOviedo, our very own MicroSociety. This school report outlines the key characteristics of our school from both an academic and non-academic perspective. I hope it helps you understand what makes Stenstrom unique. Please reach out to us if you have any questions about our school.

What Makes Us Special

- Through MicroSociety, our students develop vital career and real world skills as they start and manage their own business ventures, non-profits, and government agencies.
- We are proud to offer STEAM electives allowing students to experience a thought-provoking and stimulating curriculum at an early age in our brand new Maker Space and Robotics Lab.
- Our high-performing, dedicated staff provides a caring, safe environment for our students and parents in our community-centered school.

Advanced Academics

Rigorous Accelerated Math Pathways for Elementary Students (RAMP) is available for mathematically talented students in grades 4 through 5.
